

ONE DAY CAN CHANGE THE COURSE OF HUMAN HISTORY

On Friday, November 13, we need you to make the world see purple. World Pancreatic Cancer Day is about one thing and one thing only: raising awareness of one of the deadliest cancers. With your help, we can raise awareness of pancreatic cancer and make sure more people know about the disease and its symptoms, and create hope for those diagnosed.

FOUR SIMPLE ACTIONS WILL MAKE A WORLD OF DIFFERENCE. HERE'S WHAT YOU CAN DO:

-  Visit worldpancreaticcancerday.org now and join the Thunderclap, a powerful social media tool, to support #WPCD.
-  Follow World Pancreatic Cancer Day social pages at:
 - Facebook:** [@worldpancreaticcancerday](https://www.facebook.com/worldpancreaticcancerday)
 - Twitter:** [@worldpancreatic](https://twitter.com/worldpancreatic)
 - Instagram:** [@worldpancreatic](https://www.instagram.com/worldpancreatic)
-  Wear purple on November 13 and make sure to snap a picture and share on your social channels using the hashtag #WPCD.
-  Spread the word to your colleagues, friends, and family. On November 13, send them a text, an email, or tag them on social media and ask them to go to worldpancreaticcancerday.org and take the six actions to make the world see purple. The homepage of the website will be updated on November 13 to include specific actions that people can take!
